

# We work to shape a future worth living around the world.

## GIZ at a glance

GIZ is a service provider in the field of **international cooperation** for sustainable development.

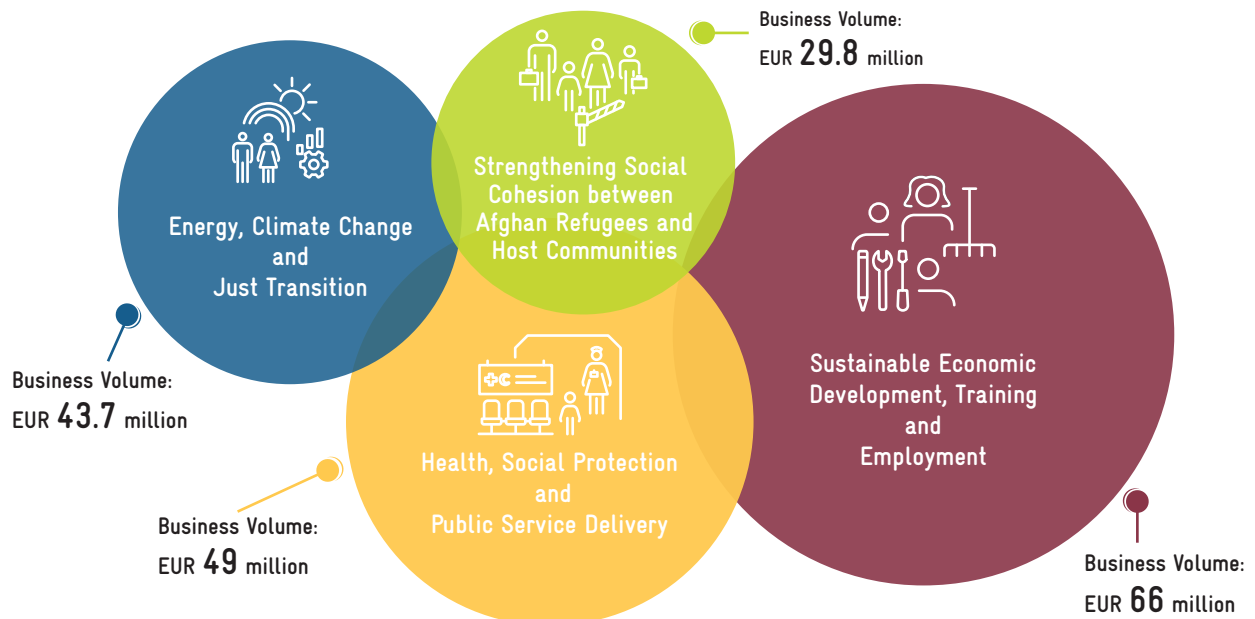

GIZ is a public-benefit federal enterprise supporting the German Government and operating in around **120 countries** with over **25,400 staff** worldwide.

GIZ has over **50 years** of **experience** in a wide variety of areas, including economic development and employment promotion, energy and the environment, and peace and security.

## GIZ in Pakistan

Germany and Pakistan have longstanding diplomatic relations with trustful development cooperation since 1961. With offices in Islamabad, Peshawar, Lahore, Quetta, and Karachi, we support our Pakistani partners on learning and change processes. With joint hands, we promote the country's vision of an environmentally friendly socio-economic reform agenda.

We work on behalf of our commissioning parties, mainly the German Federal Ministry for Economic Cooperation and Development (BMZ). As part of Team Europe, we contribute to achieving the United Nations Sustainable Development Goals. Our projects are jointly agreed between the Pakistani and German Government and focus on the following thematic areas:
