

Call of Express of Interest (EOI) for a tender for Mosul Agripreneur Skill Enhancement and Incubation Programme

Project No.: 23.4070.1-001.00

PROJECT NAME: Employment Prospects for Socio-economic Integration of Refugees, IDPs, and Host Communities (EPSI)

GIZ in Iraq is looking for a service provider to design and implement an intensive entrepreneurial and business incubation programme for a group, 35 persons, of the potential young entrepreneurs among vulnerable communities, including Internally Displaced Persons (IDPs), Refugees, host communities, women (50%), and persons with disabilities (10%) at Mosul, Ninawa. The programme aims to enhance the technical skills of the participants, enabling them to establish new enterprises in the agriculture sector and its value chain in Mosul. The programme will be blended, in class and hands-on experience, to ensure the contribution to the ecological transition and climate change adaptation by learning the sustainable and ecofriendly practices in the sector. The duration of the training days should be not less than 30 days and no more than 45 days. Finally, the participants should be able to develop their business model and plan. Successful participants who develop a viable and sustainable business model will have the chance to receive seed funding and/or pitch their ideas to potential investors to start or accelerate their enterprises.

Objective

To empower 35 potential entrepreneurs in Mosul, among the vulnerable communities, by enhancing their agricultural technical skills, business management, entrepreneurial skills, and innovation capabilities to start or sustain their enterprises within the agricultural sector.
