

INTERNSHIP OPPORTUNITY

As a federal enterprise, the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH supports the German Government in achieving its objectives in the field of international cooperation for sustainable development. We work in a variety of fields and support our cooperation partners in designing strategies and meeting their policy goals. GIZ Viet Nam is currently engaged in four priority areas: 1) Vocational training; 2) Environmental policy and sustainable natural resource use; 3) Energy; 4) Sustainable Economic Development. Gender equality is one of the key values of our company and of the work we do. Fostering gender equality in our project operation and our internal equal opportunity provisions are two strategic pillars of our corporate identity and policy. The Mekong Delta Climate Resilience Programme (MCRP) (2019-2025) is the development program that is funded by the governments of Viet Nam and Germany and implemented by the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ). Its objective is to support the Vietnamese authorities on their path for a sustainable development of the Mekong Delta through the climate-resilient management of natural resources along the coast. MCRP is divided into four fields of activity:

1. Establish an institutional framework to facilitate regional coordination of climate-resilient development in the Mekong Delta;
2. Improve investment planning at regional level for the climate-resilient and gender-sensitive management of water resources in urban and rural areas;
3. Apply innovative technologies and interventions to combat coastal and riverbank erosion, thus rendering rural infrastructure and ecosystems more climate-resilient;
4. Roll out climate-smart and water-sensitive urban infrastructure.

MCRP has a comprehensive workplan focused on three key areas: land-use and agriculture, water and regional coordination in the Mekong Delta. To effectively carry out activities for regional coordination and agriculture additional human resources are required.
