1.	83482051	MBM	<p>1) Can you please send me the abovementioned tender document.</p> <p>2) In relation to the above-mentioned call for proposals, could you please clarify what the local company registration requirements are? The text states that "GIZ invites eligible and professional companies with local presence in South Africa to participate in this tender.", but going through the documentation I could not find more specific information (apologies if I missed it). Our company is based in EUROPE with a strong track record in SA and the region and our consulting team would also have local consultants. I was wondering if this particular set-up is eligible to apply for the call.</p> <p>3) Please confirm the closing date for: "83482051". Is the correct closing date on Sunday, 23 March 2025?</p> <p>4) With reference to Call for Proposals: 83482051, and the Terms of reference (ToR) document, may you clarify the following queries:</p> <ul style="list-style-type: none"> ○ Should the proposal (Technical and Financial) cover both Chapter 2 and Chapter 8 activities? ○ Which software application is preferred to be used to develop the tool required in Work Package 3? Can Excel be used for this purpose? 	<p>1) <i>Tender documents are available on the website.</i></p> <p>2) <i>Company must be registered in South Africa and pay tax in South Africa.</i></p> <p>3) <i>Closing date 23 March 2025</i></p> <p>4)</p> <ul style="list-style-type: none"> ○ <i>The proposal should definitely cover both chapter 2 and 8 activities.</i> ○ <i>No preference for software, and Excel would also be perfectly fine.</i>
